New and Exciting Time at The Davenport Lutheran Home!

by Kalyn Asberry, Social Services

As many of you know we are entering into a new and exciting time at The Davenport Lutheran Home. We are looking to expand and renovate our existing facility. In order to do our part and to assist with this process, we have started a fund raising committee that is made up of volunteers from our facility.

Our goal is to raise money to provide our residents with new furnishings. This is to include items such as new furniture, draperies, art work, etc.

We have had a few fund raising events that include donuts and coffee sales, hot dog lunches, walking tacos, popcorn sales, cookies sales, and soup

sales. We also held a Christmas Bazaar in which we sold a variety of Christmas items ranging from an assortment of crafts to different food items. We have found that food is very popular around here!

Look for more fund raising effort in our next newsletter!

Looking Back on the Activities

Below: Santa and Rhonda Felton give Melvin Hollister a present.

Above: Marjorie Harvey getting a present from Santa at the Resident's Christmas Party.

Right: Carl Hobart, and Frank & Clara Swearinger celebrate at the New Year's Eve Party.

One of the activities that the Residents enjoyed was the Bald Eagle Dance Program performed by Rudy Vallejo, shown here with Art Hilmo and Roger Youngquist.
