"Providing Quality Christian Care and Service"

We are on the Web!
www.lhaa-e.org

REFLECTIONS is the newsletter published by The Lutheran Home for the Aged Association - East, a not-for-profit organization, providing quality health care, housing and services for seniors.

The Lutheran Home for the Aged Association - East does not discriminate in its employment practices or admissions to its facilities or programs of care because of a person's race, color, creed, sex, age, disability, religion or national origin except as such provisions may be limited or otherwise provided by law.

The Lutheran Home for Aged Foundation

The Lutheran Home for Aged Foundation (LHAF) was established to receive and to utilize the special gifts that God motivates His people to offer in support of providing quality Christian care and service to God's people with special needs in the difficult moments of their lives - especially, as they approach the end of their time on earth.

The ultimate goal of the Foundation's financial support is to keep the fees charged to residents as low as possible; to expand services; and to make improvements we might not be able to provide otherwise. Through the contributions received from the Foundation we have been able to develop new programs, expand our facilities, and even assist those residents who have outlived their personal resources.

The Foundation's assets are protected and separated from those of the LHAA-E in order to assure that they will continue to be available long beyond our lifetimes. Funds donated to the Foundation are carefully invested in safe instruments that are expected to earn a reasonable return, and the principal is retained by the Foundation. The earnings are then utilized according to the instruction of the donors. If gifts have been donated without restriction, the earnings of those gifts are utilized according to the needs considered most urgent and beneficial to the residents by the Board of Directors of LHAA-E.

We invite you to consider supporting the Lord's work at LHAA-E through a gift to the Foundation. For your consideration, the following suggestions are offered: Cash; Securities; Bequests; Gift Annuities; Trusts; Non-cash gifts; Life Insurance Beneficiary.

LHAA-E shows support for, and recognizes, the value of the relationship it has with the Foundation by contributing approximately 10% of all gifts received in our facilities to the Foundation. If you have questions or concerns, we are ready to meet with you to discuss them at any time.

Nancy Van Steenhuyse received her 25 Years of Service Pin.
